Dear Parent/Carer

As you may be aware we shared some information on Wednesday of an adult attempting to persuade a year 7 student into a car.

Please be aware that we have today received communication from the local authority of a similar safeguarding alert where a small black car stopped and the driver attempted to persuade 2 girls to get in. Again fortunately the children are safe and well and reported it at once as you would expect.

We have no reason to believe the two incidents are linked but as always, want to ensure we do everything we possibly can to keep our students safe and well.

We have therefore reasserted to our students an awareness of how to keep themselves safe including 'stranger danger' and the importance of not stopping to talk to people in cars they do not know. We have advised students where possible to walk with friends, be alert to unusual or unknown people and to report any concerns immediately.

We therefore ask that you reinforce these messages at home as well.

Yours faithfully

B Morley
Deputy Headteacher
Designated Safeguarding Lead
