This is a great opportunity for an enthusiastic teacher to join an experienced, established, successful Faculty and to work in a friendly and supportive school to help deliver outstanding outcomes for all of our students.

Windsor High School and Sixth Form is a large and successful mixed 11-18 comprehensive academy of approximately 1700 students, more than 250 of whom are in our thriving Sixth Form.

We are the founder school in a growing Multi Academy Trust which affords our staff many cross phase opportunities. We are highly ambitious for our students, staff and community and aspire to be exceptional in everything we do. Results are very high, we are oversubscribed and enjoy an excellent reputation. Professional development opportunities are outstanding.
